ORDER (Per the Hon'ble Smt. Justice T.Meena Kumari)

This is a taken up case on the letter, dated 10-01-2006, sent by the petitioner for inaction of the doctor and compounder on the complaint of severe headache of the petitioner for the past two days, conducting of Sugar Test to the petitioner for only twice for the past eleven months even though the Government Doctor advised to conduct the Test at an internal of 15 days and also rejecting the petitioner's request to take him to the hospital outside the jail to conduct the test as the doctor would be available in the jail only from 12 noon to 12.30 PM and the sugar and urine kits of the jail are present in the doctor's private clinic.

The grievance of the petitioner is that Sugar Test has to be conducted at

an interval of 15 days and his request to take him to the hospital outside the Jail for conducting the Sugar Test as the doctor in the jail would be available only from 12 noon to 12.30 P.M was rejected. Under the above circumstances, it is appropriate to direct the 1st respondent to ensure that proper Sugar Test is done for every 15 days. In case of any serious ailment, the petitioner may be referred to the Specialist, Government hospital concerned.

With the above direction, the writ petition is disposed of. No costs.
